St Peter's Church of England Primary School aims to provide a happy, secure and Christian learning environment in which every child can achieve academic and personal success.

The Governors and Staff of St Peter's Church of England Primary School believe our school policies help us to continuously improve the school and ensure that each child is valued and encouraged. We recognise that all children have potential and through the school policies we aim to create a caring and well-ordered environment in which our school family can learn and develop.

Being a Church of England Primary school means we embrace the following Christian Values, which guide all aspects of school life and underpin our school policies.

**Joy**

**Friendship and Respect**

**Determination and Courage**

**Trust and Honesty**

**Kindness and Forgiveness**

## Equality Objectives for 2022-23

In order to be able to meet our duties under the Equality Act 2010, we collect data related to the protected characteristics and analyse the data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school.

### St Peter's aims to be a centre of excellence which:

- Enables and inspires children to flourish
- Provides an inclusive, stimulating and safe educational setting that nurtures the God-given potential of every child

In our **2022-23 School Plan** we have identified the following key priorities linked to Equality, Diversity and Inclusion:

- To ensure there is a consistently high standard of teaching and learning throughout the school
- To further develop the intent and implementation of the curriculum, ensuring positive impact on pupil learning
- Phonics - To continue to improve the quality of phonic teaching and outcomes in year 1&2
- Writing - To continue to improve the quality of outcomes in Writing across the school – at expected and greater depth.
- To ensure that Mathematics provision across the school ensures that all children are challenged, including girls, and targets for EXP and GDS are met

For the 2022-23 academic year, our **equality objectives** are:

- To further develop children's understanding of how to be responsible, respectful, active citizens who contribute positively to society.
- To develop the children's use of self-regulation strategies to support them to be consistently motivated, persistent and resilient learners.
- To rigorously monitor attendance so that the number of pupils who are persistently absent is kept low and attendance figures are above 95%, including for SEN and PP.
- Participation in extra-curricular activities monitored and range of clubs offered reviewed with any non-participating children / groups.
- Teacher / TA skills improved in adapting or redesigning learning for pupils with SEND and disadvantaged pupils, results in them achieving the best possible outcomes, and gaps in learning narrowing.
